Estate Cleanout Quote Questions - East Valley

1. What exactly is included in the cleanout: which rooms, items and types of debris, and what condition will the home be left in?

2. How is the cleanout priced: by load, by volume, by room, or a flat scope price, and what would change the price?

3. Who does the work, your own crew or subcontractors, and what is the timeline, including multi-load jobs?

4. How are donations, recycling and disposal handled, and do I get receipts for donated items?

5. What does the written quote cover, and what would change it once work starts?

6. What cleanup is included at the end: broom-clean, deep cleaning, or just removal, and what happens to items left behind?
